Sir:

The citation listed on the enclosed PTO-1449 form is being submitted under 37 C.F.R. §§1.97 and 1.98, and in compliance with the duty of disclosure as defined in 37 C.F.R. §1.56. The Examiner is requested to make this citation officially of record in the application. This Information Disclosure Statement (IDS) is being filed along with an RCE, before the mailing of a first Office Action on the merits, therefore, pursuant to 37 C.F.R. §1.97(b)(4), no fee is required. A copy of the cited reference is enclosed herewith.

This IDS is not to be construed as a representation that the listed citations establish, by themselves or in combination with other information, a *prima facie* case of unpatentability of any claim in the above-identified application. Additionally, this IDS is not to be construed as a representation that a further search of the art has been made by the Applicant, or that additional information relevant to the examination of this application does not exist unbeknownst to the Applicant.
